

REMARKS

Claim 42 is added as a new claim. Support is found, for example, in the paragraph bridging page 4 of the specification as originally filed. No new matter is presented.

The Examiner is respectfully requested to consider the present amendment in conjunction with the Response and RCE previously filed on October 14, 2010. New claim 42 ultimately depends from claim 22 and is patentable for at least the same reasons.

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,

/Jennifer M. Hayes/
